level 1

**IRISH HARMONICA**  
**JOEL ANDERSSON**

## Playing this tune

This lovely reel in D major is played in 1st position with a harmonica in the key of Low D in Standard Richter tuning.

## About this tune

I discovered this reel on the 1979 album Noel Hill & Tony Linnane. It's a simple reel that doesn't contain any interval jumps. It's a good tune to work on after learning Tommy Peoples' reel.

Sometimes, I add octaves to the entire melody. This can be a bit tricky in the B part of the tune. Another possible variation is to play octaves in the A part and add drones in the B part.

I suggest using the 6th hole as a drone in the left side of your mouth.

Try it out! And remember to have fun.
